

Autumn Flower Appliqué Skirt

MATERIALS

scrap fabrics in a variety of colours for flower petals
scrap fabrics in shades of green for stems and leaves
3 buttons
embroidery thread in coordinating colours
fusible webbing

INSTRUCTIONS

1. Trace pattern pieces onto paper side of fusible webbing. Cut out.
 2. Iron fusible webbing to wrong side of fabric. Cut out pieces.
 3. Place onto skirt front, using photo as guide. Iron in place.
 4. Using a running stitch and three strands of embroidery thread, outline each petal, stem and leaf. Add veins to leaves.
 5. Add buttons.
- Enjoy!
